EPISCOPAL CHURCH AND SCHOOL

## Tracy Lemmond

### *2-Year-Old Teacher*

This is my fifth year teaching at Holy Spirit Episcopal Church and School and I am so pleased to have the opportunity to teach children about the Love of Jesus Christ. I am blessed to be teaching a two-year-old class. My goal is to teach the children in a fun, stimulating and nurturing environment. I also plan to learn many things through my students' experiences during the school year. I also aide in the pre-K class, often to some of the children I taught when they were two. How fun is that?

I graduated with a BA in advertising from Texas State University (Go Bobcats!). After resigning my corporate job to be a stay-at-home-mom, I've led and taught VBS, Sunday school, Kindergarten and Preschool. I really enjoy being around the children; they are such an inspiration. My family and I have lived in the Dripping Springs area for 16 years and love it!
