

Kate Cryar

My name is Kate Cryar and I am so happy to be starting my second year at Holy Spirit! I am originally from the DFW area and moved to San Marcos to attend Texas State University. I graduated in 2003 with a BS in Family and Consumer Sciences. I loved the hill country so much I never moved back home! I've lived in Wimberley since 2015 with my husband of 17 years, Beau. We have two very busy kiddos, Meadow is 15 and plays softball at WHS, and Hank who is 11 and loves to play soccer and video games. I spend most of my spare time chauffeuring them around!

I love being at Holy Spirit because the small size of the classrooms really allows me to connect with the kiddos and get to know who they are. I love watching their confidence grow throughout the year and seeing their little personalities emerge.
