

Jillian Turk

Teacher

Hello! I am excited to be teaching preschool at Holy Spirit. I love watching children learn and grow. Especially when their face gets lit up when they understand something we have been discussing. I grew up in Lakeway and went to college in Lubbock. It doesn't get more different than that! I graduated in 2007 with a Bachelor degree in Early Childhood Education. I grew up with teachers that became big influences in my life and I still keep in contact with. I hope to be that kind of teacher, too. My husband and I have been married since 2014 and have two young children, Zoe and Levi. I look forward to working with your children and please never hesitate to contact me.
