

Melissa Milligan

Head of School

I began my career at Holy Spirit Episcopal Church and School in 2004 as a teacher for the 3 and 4 year old classes. In 2006 I was promoted to School Director. It has been wonderful to see the school change and grow! My career working with children began as an aide in the extended care program at the preschool my son attended. Moving to Holy Spirit Episcopal Church and School when my daughter began preschool, I was able to take on the wonderful challenge of teaching a class. My college years were spent between Abilene Christian University and Stephen F Austin State University, where I earned a BBA in Marketing. Prior to becoming a mother, I was a Media Director in Houston and Austin for a business to business marketing agency.

God has given me a wonderful husband and 2 children who are now both in college. The rewards of working in education have been so great, and the blessings continue with each new group of children.
