

Jennifer Carnes

Jennifer Carnes has had a love for children for as long as she could remember. The traits she loves most about a child is their honesty, curiosity, sense of humor, and resilience.

Born in San Antonio Tx and a child of an Army soldier at age eleven, she moved around the country and beyond for many years. She learned how to adapt quite well to different cultures, customs, climate and people due to more moving around most of her life.

She is a wife of ten years to Brian, a step mom and a mother to one adult son Jonah . She has volunteered for over a decade to numerous children organizations including Sunday School, Cub Scouts and Awana. She has over 21 years of experience working with children. She holds a B.A. in Early Childhood Education from Kendall College in Chicago.

She and her husband Brian moved to the area in 2022 and have adjusted to the Hill Country and it's unique charm. Her hobbies include reading, writing, antique shopping, enjoying music, practicing yoga, and spending time with her family, friends and her two dogs.

Jennifer (Jenni /Ms Carnes) looks forward to getting to know and working with the children and families of the school.
